Introduction

Dear Friends, Colleagues and Our Collective Community Partners,

The Fred Bachmann Sr. Scholarship Fund was created in 1997 after our founder, Fred Bachmann Sr., passed away. Each year an Annual Scholarship Outing is held and with the assistance, support, and participation of industry and community members, it has been a stunning success.

The goal of the Fred Bachmann Sr. Scholarship Fund is to promote interest and excellence in the construction industry. With this in mind, the scholarship is awarded to applicants who have shown both of these traits and are beginning an education, or apprenticeship, in the field.

The scholarship is intended as start-up capital for tuition, books, tools, etc. With your help, we can help those who wish to carry on the tradition of quality construction and build into the future.

The Fred Bachmann Sr. Scholarship Fund, in partnership with volunteers from Bachmann Construction Company, Inc., holds its Annual Scholarship Outing. After the event, all of the proceeds are donated to the scholarship fund. In the last few years, because of the success of this event, we have been able to award multiple scholarships from the proceeds that were generated. We are hoping that you and/or your company would consider contributing to the success of our event by making a donation.

The generosity of all corporations, businesses, or private individuals will be recognized and displayed during the outing (unless otherwise requested).

Sincerely,

AL

Owner/CEO | BACHMANN CONSTRUCTION COMPANY, INC.
